MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

ACT No. V. OF 1841.

An Act for the greater uniformity of the process upon Trials for State Offences, and the amendment of such process in certain cases.

I. Whereas it is expedient that the rules of process for the trials of state offences should be modified with a view to uniformity at the different Presidencies; and whereas some of the rules heretofore in force at particular Presidencies require amendment;—

It is hereby enacted, in modification of all regulations and parts of regulations affecting process upon trials for state offences, that it shall be competent for the ordinary tribunals to try charges of treason, rebellion or other crime against the state.

II. And it is hereby enacted, that it shall be competent for the Government of any Presidency to issue a commission for the trial of any offences of treason, rebellion or crime against the state by one or more Judges, together with such Law Officers as shall be required or without any such Officer, according as it may be deemed expedient.

III. And it is hereby enacted, that the Courts convened under such Commissions are to try the prisoners brought before them in the same manner as in trials before the Ordinary Courts; and shall exercise all powers and authorities vested in such Courts, except that their sentence, whether of acquittal or punishment, shall in every instance be reported with their proceedings to the highest Court of the East India Company for Criminal matters of the Presidency, previous to carrying the same into execution; and they are to be guided as to the place where they are to assemble, the persons to be tried by them, and all other particulars not provided by any Regulation of the respective Presidencies, or by any Act of the Governor General of India in Council, by the special orders which they may receive from the executive Government, or from the highest Court of the East India Company for Criminal matters in the Presidency.

IV. V. And it is hereby enacted, that the highest Courts of the East India Company for Criminal matters of the respective Presidencies on the receipt of any trials referred to them under this Act, are to proceed thereupon according to the rules in force with respect to other trials referred to them; except that they are in every instance to report their sentences to the executive Government of the Presidency for the time being; and are to wait the orders of Government for the period of three calendar months before they direct their sentence to be carried into execution.

VI. And it is hereby enacted, that the Magistrates of the several Zillahs and Cities, where any person or persons shall be charged with the crimes mentioned in this Act, shall give immediate notice thereof to the Government of the Presidency to which their several Districts or Cities belong, and shall pay immediate and strict attention to all orders which may be transmitted to them by their respective Governments for the apprehension of persons charged as aforesaid, or for making any enquiry respecting such persons, or for committing them to take their trials before the Ordinary Courts, or before the Special Courts described in this Act.

FINANCIAL DEPARTMENT.

THE 19TH NOVEMBER, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance :

FOR

MAKING ADVANCES IN INDIA AND CHINA, UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve : and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders :

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills ; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England ; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company ; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,

CHANCING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchered for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.
Messrs. FRITH & Co. Do.
